Ravalli County Commissioners
Atten: Glenda Wiles
215 S. 4th Street
Hamilton, MT 59840

October 25, 2008

Dear Ravalli County Commissioners;

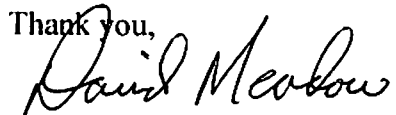

Thank you very much for forwarding Mr. Ohnstad's email regarding the storage shed and property located in Victor.

Unfortunately, this was not the question that I had hoped to get an answer to, and I am becoming increasingly frustrated.

At an on-site meeting held in Victor, attended by Mr. Ohnstad and Commissioners Driscoll, Chilcott, and Thompson; Mr. Ohnstad was asked by the Commissioners what the additional cost would be to add one bay to the facility that the Road and Bridge Department was planning on building in Stevensville. This extra bay would be used to house the Road Grader presently housed in Victor.

I am hesitant to impose on you again; but I don't know how else to get the answer.

Thank you,

DAVID MEADOW

Chairman, Victor Rural Fire District Board of Directors.
